Waterside TOWER

Clarendon Dock, Belfast

DESCRIPTION

Waterside Tower comprises a prime office building with fantastic waterfront views, facing directly onto the River Lagan and over to Titanic Belfast.

The outlook afforded from all floors is unrivalled in the area.

An aerial photograph of a city waterfront. A wide canal or river runs vertically through the center of the image. On the right side of the canal, there are several modern, multi-story buildings with brick and glass facades. Some buildings have flat roofs with solar panels. In the background, a dense urban landscape is visible with various buildings and a tall construction crane. The sky is overcast and hazy.

The total space comprises a net internal area of 24,888 sq ft (2,312 sq m) and is arranged over five floors. There are 58 car parking spaces, of which 22 are secured within the demise of the building in the secure undercroft, and externally at the front door with access to the shared site via buzzer barrier entry. The balance of the spaces are in the surrounding dedicated car park.

Internally the property is currently arranged with a main ground floor reception, a mix of cellular offices, large boardrooms / presentation rooms and open plan office space.

There are a number of kitchen facilities, a full gym with changing and shower facilities and break out areas, separate male & female WCs, a lift to all floors, buzzer entry to the building, swipe access to each floor and CCTV / Alarm system.

The property currently comprises:

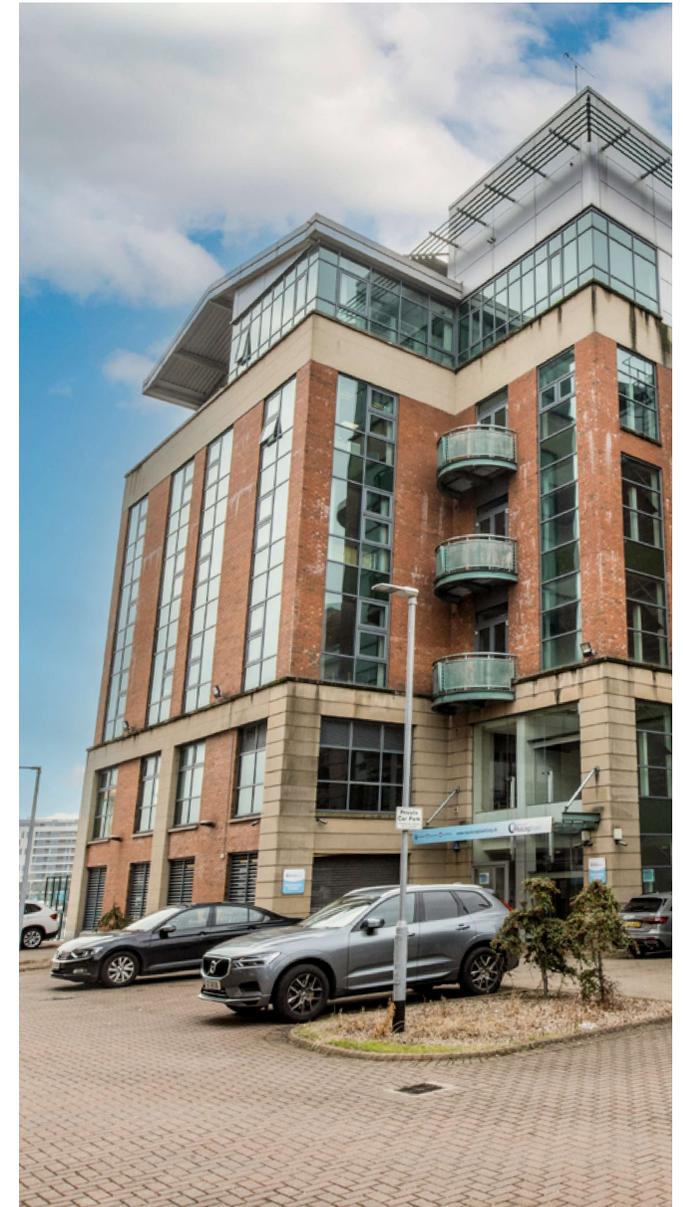

- Air handling system;
- Raised computer access flooring;
- Floor to ceiling windows;
- Carpet tiles;
- Plaster painted walls;
- Suspended ceiling;
- Recessed fluorescent lighting.

It is anticipated that the property will be fully refurbished upon occupation.

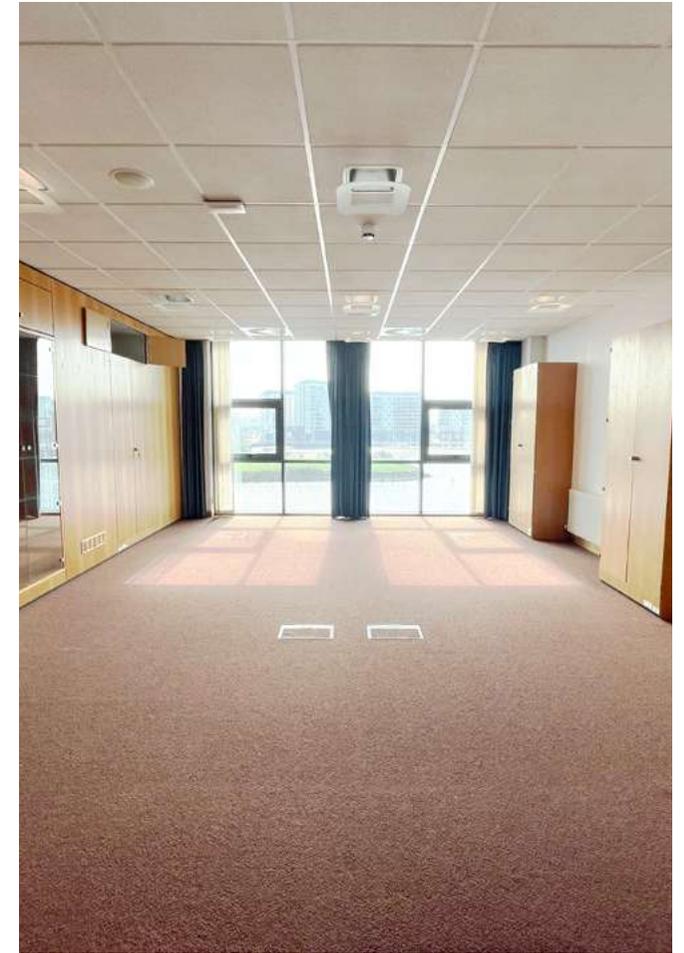

There is the potential to provide a charging point for electric EV vehicles and bike racks in the under-croft parking area on site.
