With the Mourne Mountains nearby and only a short 12 minute drive to Newry and the Dublin-Belfast A1 corridor, Warrenpoint serves as popular commuter town with all the benefits of the coastal location.

Located on Marine Parade and facing Carlingford Lough, the property boasts stunning views across the Lough and further afield to the Cooley Mountains.

The town is perfectly positioned just a stone's throw away from a vast array of tourism spots and visitor attractions, including the following:

Mourne Mountains & Silent Valley, the Ring of Gullion, Slieve Gullion Forest Park and numerous popular golf courses, including Newry, Rostrevor, Kilkeel, Banbridge, Dundalk, Armagh and the famous Royal County Down Golf Club.

LOCAL DEVELOPMENT – NARROW WATER BRIDGE

The subject property is located just 1.2 miles from the new Narrow Water Bridge, a cross-border bridge which is currently under construction and due to complete in 2028. This will link County Down and County Louth. The bridge will comprise a 195 metre cable bridge which will accommodate vehicular, cycle and pedestrian traffic, along with the smooth passing of water traffic on the Newry Canal due to the ability to open the bridge.

The bridge will connect the A2 Newry to Warrenpoint dual carriageway in Northern Ireland with the R173 at Omeath in the Republic.

The bridge will be a “lynchpin connection for cross-border travel” according to Bam Construction, facilitating recreational activities in the Carlingford Lough region and offering easy access to greenways, mountain bike trails, walking routes and beaches.

The bridge will also support the development of the wider Carlingford Lough region into a tourist destination, providing access between the villages of Warrenpoint, Rostrevor and Carlingford.
