LOCATION

The property is situated on the Moy Road, approximately 2 miles north-west of Portadown town centre.

The location benefits from excellent connectivity to the wider Northern Ireland road network, making it highly accessible for manufacturing within the quarrying, recycling and light industrial related industries.

The Moy Road provides direct access to the B28 and connects quickly to the A4 and A3 arterial routes, which link Portadown with Dungannon (15 miles), Armagh (11 miles) and Newry (23 miles). The M1 at Junction 12 is only a short drive away, providing convenient connections to Belfast (31 miles), the wider motorway network across Northern Ireland and the Economic Corridor to Dublin (89 miles).

ACCOMMODATION

Description	Area (sqm)	Area (sqft)
Warehouse	905	9,741

DESCRIPTION

The property comprises a new build industrial/warehouse unit currently under construction and due for completion in Q2 2026.

The building will extend to approximately 9,741 sqft (905 sqm) and is being developed to provide high quality, modern industrial accommodation suitable for a range of manufacturing uses.

The finished unit will be of steel portal frame construction with a power floated concrete floor, translucent roof lights and a minimum eaves height of approximately 7.6 metres. Elevations will incorporate precast concrete wall panels to approximately 3.5 metres with insulated composite cladding above.

Loading access will be provided via four electrically operated roller shutter doors, each offering a clear height of approximately 5 metres. The building will also benefit from the installation of a crane rail designed to accommodate a 10-tonne gantry crane, making the unit particularly well suited to engineering, fabrication or heavy industrial occupiers.

Externally, the property will include a concrete service yard providing ample circulation and loading space.

RATES PAYABLE

To be assessed on completion.
