LOCATION

- The subject property occupies a prime location on the historic Dublin thoroughfare of Pearse Street, which runs from College Street to McMahon Bridge in the east.
- The property is located within close proximity to Trinity College, Pearse Station, Merrion Square and Stephens Green.
- This prime city centre location benefits from exceptional connectivity, with easy access to all key transport links to include the LUAS, Dublin Bus Routes, and Dublin Bike stations, as well as Pearse Train Station.

THE PROPERTY

- The site extends to approximately 0.029 hectares (0.071 acres) and was previously in use as a retail unit.
- The unit is single-storey over basement and part of a two-storey terrace row, with a dilapidated two-storey unlisted period building at the rear on Erne Place Lower.
- A high-level feasibility study shows, with a complete redevelopment, the site would be capable of accommodating a range of residential and retail uses subject to planning permission.
- A feasibility study has also been conducted for the entire terraced block, showing significant potential for a new mixed use residential, retail and student accommodation/hotel scheme subject to planning permission.

SERVICES

- Interested parties are encouraged to conduct their own investigations into the availability and capacity of utilities. It is assumed that all necessary services, such as electricity, water, and drainage, are currently accessible to the existing properties.

ZONING

- The subject properties are zoned Z4 – Key Urban Villages / Urban Communities under the Dublin City Development Plan 2022 – 2028.
- The Z4 objective is to provide for and improve mixed-services facilities.
